

Year 10 Realising Aspirations

Since Christmas, a group of year 10 pupils has attended Ashton 6th Form College for 1.5 hours a week after school. They have taken part in a variety of activities based around their chosen subject area. This culminated in an optional project-based assignment.

The organisers from Ashton 6th Form College were extremely complimentary in regard to the attitude and cooperation shown by our pupils – with the lead organiser describing their attendance, resilience and perseverance as ‘phenomenal’!

All pupils: Ellie Donlon, Dylan Edwards, Mia Fitzpatrick, Rebecca Grant, Grace Kilgallon, Patrick Murray, Erin Veazey, Ashley Ovens and Josh Knight achieved a certificate of completion.

In addition, Mia Fitzpatrick (Art and Design) and Josh Knight (Business, Economics & Finance) were awarded a certificate of commendation for their project.

Congratulations to Patrick Murray (Humanities) who achieved the overall commendation for outstanding performance for his project.

Year 7 & 8 Dodgeball Tournament

Well done to all the year 7 and 8s pupils involved in the dodgeball tournament on Wednesday at Alder Community High School. The girls’ teams came 4th and 6th whilst the boys’ team came 5th.

We will be looking for year 7, 8 and 9 pupils to play in the rounders’ tournaments in June – please check the extra-curricular notice board for information and add your name if interested.

The PE department will be running various after school clubs from next Monday – again, check the board for information.

Accelerated Reader News

Congratulations to Fatimah Kassama in year 7 who is our first **Accelerated Reader Word Millionaire**. Since September, Fatimah has read and quizzed on 25 books, achieving an average of over 95% and has read 1,084,436 words! Fatimah’s reading habit will certainly be a huge advantage to her throughout her life.

Revision books

There are a number of revision books on sale in the Science department. Published by CGP, the books are aimed at pupils from year 9 and 10 and tackle the maths associated with science. Books cost £2.75 each. Please see Mr Olsen for details.

Linguists of the Week

Jessica Hoskisson has made a real effort in French lately and I am delighted to see the quality of work that she produces. Well done, Jess! You are on the right track!

Toby Hayes is a pleasure to teach and has great ability in French. It is a pleasure to read his work! Keep it up, Toby!

Dates for your diary:
