

Message from Mrs Emmett

On Tuesday and Wednesday of this week we welcomed Jonathan Smart, HMI, to conduct our third special measures monitoring visit. The two days went very well and we look forward to sharing the letter with you when we receive it. The staff, governors and I would like to thank you all for your continued support of our wonderful school. Together we will be able to do something truly special here at All Saints and transform the lives of the lovely young people that we have the good fortune to teach. Mrs Emmett.

MFL News

It was a pleasure this morning to listen to Weronika Tejc, 7H, who had prepared a listening task in French for the class. Everyone concentrated and attempted to answer all her questions. Lucy Pimlott is going to prepare the next listening task for the class! ... And I can just sit back and enjoy it! Mrs Agrain.
