Year 11 Support Programme

Dear Parent/Guardian,

I am writing to you to inform you of the support we are providing for your child this year at All Saints as we continue to be dedicated to providing an excellent education to all of our pupils so that they fulfil their ambitions and exceed their expectations.

As part of our support package, we are offering after school intervention sessions between 3pm-4pm each day in the following subject areas:

Time	Monday	Tuesday	Wednesday	Thursday	Friday
3pm – 4pm	History ICT Bus & comp English	Maths MFL	Science Tech.	RE Art Geography PE	N/A

During assembly this week, we explained to your child that there would be five waves of after school intervention covering each half term. To make the most out of this intervention we will be targeting different groups of students in each wave and subject. Therefore, we will notify students, in advance, if they are required to attend a revision session after school.

As well as after school intervention sessions we are in the process of re-allocating Year 11 tutor groups. Our vision is that students will spend time each morning focussing on supplementing key English and Maths skills that will stand them in good stead for the GCSE exams in these areas.

Last week students also received a reminder letter with their Show My Homework login information. The letter also included information to help parents/guardians monitor the homework students receive.

We would also like to provide you with early notice of the following key events for Year 11:

Parents evening: 19th October 2017

Helping you to help your child evening: 11th January 2018

You will receive further information regarding these events in due course.

May I take this opportunity to thank you in advance for your continued support.

Yours sincerely,
