

Week beginning 4th January 2021

MFL department remote learning plan

Year 11

We will teach three live lessons that we will upload on SMH

French: introductory lesson to the topic of environment: vocab practice, listening and reading skills

Spanish: introductory lesson to the topic of social issues: vocab practice, listening and reading skills

Year 10

We will teach two live lessons that we will upload on SMH. We will put the third lesson on line with work for pupils to complete

French: revision of the holiday topic and progression of the topic on planning a future holiday; vocab practice, listening and reading skills

Spanish: revision of past holiday topic and introduction of topic on planning a future holiday; vocab practice, listening and reading skills

Year 9

We will teach two live lessons that we will upload on SMH. We will put the third lesson on line with work for pupils to complete

French: revision of the free time topic and progression of the topic introducing connectives si and quand. Revision of the immediate future; vocab practice, listening and reading skills

Spanish: introduction of the free time topic: vocab practice, listening and reading skills

Year 7 and 8

We will check in with each class once this week. We will teach numbers; we will do a listening practice and explain the work that they will have to complete on SMH

Spanish: revision of what we have done so far and numbers up to 100
