

Implementation

In order for pupils to achieve excellent outcomes, reading is a focus for all pupils at All Saints Catholic College. As a community we strive to empower all pupils to become confident readers, regardless of their starting point.

As a community we understand the power that reading provides for our pupils and their families which is why we offer a rigorous programme of intervention/ support. All pupils have their reading ages tested within a school testing calendar. From these tests we decide which level of intervention / support is most appropriate for each pupil.

Below are the ways in which intervention/ support is implemented at All Saints Catholic College:
