## “My command is this: Love each other as I have loved you.” (John 13:34)

We understand the importance of educating pupils about sex, relationships and their health and the need for them to be able to make responsible and well-informed decisions and choices in their lives. We strive to provide our pupils with high-quality and age-appropriate teaching of these subjects. The RSE curriculum at All Saints will be delivered in a factual and inclusive way that allows pupils to ask questions in a safe environment. Teachers will ensure that pupils’ views are listened to and will encourage them to ask questions and engage in discussions. Teachers will answer questions sensitively and honestly where they can.

All teaching and learning resources are quality assured by the RSE team which includes, the Head of RE and PSHCE. These leaders ensure that these materials are appropriate for the age and maturity of pupils, are sensitive to their religious backgrounds and meet the needs of our SEND pupils. Teachers will ensure lesson content focuses on challenging perceived views of pupils based on protected characteristics, through exploration of, and developing mutual respect for, those different to themselves. The RSE curriculum will integrate LGBTQ+ content as well as content which focuses on healthy, respectful relationships and how to identify these different types of relationships in all aspects of life.

Our intent is rooted in our school values. Pupils will learn about: Health and Wellbeing, Relationships and safety (both virtually and in real life.) Over the course of the academic year, external visitors will support the delivery of our curriculum ensuring that all pupils are engaged and informed with up to day, relevant information.

**Be inspired. Be excellent. Succeed**
