

## **National Careers Service**

### **Job Profiles**

The National Careers Service provides information, advice and guidance to help you make decisions on learning, training and work opportunities.

Parents / Carers and students can access online careers information, advice, guidance and much more on this site.

<https://nationalcareersservice.direct.gov.uk>

The National Careers Service has job profiles on almost 800 different types of jobs. Each one details the skills and qualifications required, what the job involves, the average salary and what the career prospects are like by referring to labour market information (LMI).
