

# All Saints Catholic College

Dear Parent/ Carer,

We have updated some of our policies this term to ensure the continuous improvement of our school. We thank you for your support.

## Policies

We have published our updated Relationships and Behaviour Policy and this is available on the school website. At All Saints Catholic College our aim is to ensure excellent standards in the learning and conduct of all pupils. The policy aims to put strategies in place which help develop a positive culture of praise, restoration and reward within the school, where pupils feel empowered and can successfully manage their own behaviour. The maintenance of good behaviour and discipline is the responsibility of the whole school. The policy aims to instil a sense of 'ownership' and responsibility for behaviour from all - staff, pupils and parents. The school aims to communicate and work with parents in order that parents may have an accurate understanding of their child's behaviour and can contribute to their success in school.

We have also published our updated SEND Policy on the school website. The policy outlines how our school will support and make provision for pupils with special educational needs and/ or disabilities (SEND). As well as explaining the roles and responsibilities of everyone involved in providing for pupils with SEND in our school.

Both updated policies can be found here: <https://www.allsaintscatholiccollege.com/about-us/policies-and-procedures>

## Curriculum

Please remember that you can access curriculum overviews for each subject on the school website. Here you will be able to view the planned curriculums for your child's return to school in January 2025.

On behalf of the leadership and staff we would like to wish everyone a very Merry Christmas. We look forward to welcoming all pupils back to school on 6<sup>th</sup> January 2025.

Yours sincerely,
