Be inspired. Be excellent. Succeed.

29th September 2021

Dear Parents

We have now received information on the roll out of the programme for the COVID 19 vaccine for 12-plus children.

Your child has been given this letter and a consent form. Please return the consent form by Monday 4th October.

The vaccine **IS** voluntary and there will be no pressure placed on children or yourselves to have your child vaccinated. We will only vaccinate those children for whom consent is received from yourselves.

Vaccination will take place in school between now and half term but we won't publicise the dates as we don't want any unnecessary response to the roll out which may be unsettling to our children.

I appreciate the very tight turn around and as ever thank you for your support.

For year 7 the vaccine can only be given, with consent, to those who are 12 on or before the day they have been vaccinated. You will have received a consent form.

As ever, if you have any queries, please contact school. If you have concerns about the vaccine, please contact the appropriate health authority for information

Yours sincerely

G Diamond
Headteacher
