

Science

Curriculum Scripture

Proverbs 25:2

“It is the glory of God to conceal things, but the glory of kings is to search things out.”

Curriculum Driver

Explorative Thinker

Curriculum Knowledge Prioritises

Experimental procedure

Scientific vocabulary

Biological processes
(eg cells, ecosystems)

Chemical processes
(eg periodic table, reactions)

Physical processes
(eg energy, forces)

Curriculum Skill Set Prioritises

Analyse

Evaluation

Scientific enquiry

Problem solving

Application

Attitude/ Behaviour for Learning

Resilient Thinkers

Responsible Community

Respectful Individuals

Excellent Achievers

Independent Learners

High Aspiration

Inquisitiveness

Wider Curriculum Offer

STEM opportunities

Trips and visits

Competitions
