Be inspired. Be excellent. Succeed.

Headteacher: Gus Diamond

20th June 2022

Dear Parents/Carers,

In my letter just before May Half Term, I let you know about the substantial amount of building work we are having done. We have been granted £2 million by Tameside MBC to support the upgrade of certain parts of the buildings.

Phase 1 has almost been completed. We now have a new Performing Arts Suite, and will soon have a Fitness Suite. Phase 2 is going very well, and we will have 5 refurbished science laboratories in the near future.

Phase 3 will begin shortly, during which we will undertake a complete overhaul of the school's PE changing facilities, as well as a modernisation of the current gym. This is long overdue, as I'm sure you'll agree.

To allow us to do this and to make sure that the work is completed for September 2022, we need to start the work this side of the summer break. Therefore, from 23rd June 2022, we are asking that pupils come to school on the days they have PE, in their PE kit. We apologise for this inconvenience. We have no alternative areas for children to change, but we are hoping that the children will see the benefit of this in September 2022 when they are able to access modern sports facilities.

If this will prove problematic for you, please contact Ms Klays (email address nklays@allsaintscatholiccollege.com) or your child's Head of Year, who will be able to support you in ensuring that we can offer help. We ask for your support in this matter, and hope it will not be too much of an issue for our families.

In the meantime, please wish us well that the project goes to plan and is a success. As ever, thank you for your support.

Yours faithfully

Gus Diamond
