CATHOLIC COLLEGE

Be Inspired. Be Excellent. Succeed.

Wednesday 6th April

Are you ready to be
inspired, be excellent and
succeed?

Form Time Prayer

Lord, Teach us to move beyond ourselves,
and to set out in search of the truth.

Teach us to go out and see,
teach us to listen,

Not to certain prejudices or draw hasty conclusions.

Grant us the grace to recognise your dwelling places in our world and
the honesty needed to tell others what we have seen.

Amen

Year 10: Last Week of term

Preparing for Year 11

1. Mock examinations (Pre-Public Examinations) begin on 16th June.
2. Leaders in departments have created lists of the topics you will be tested on.
3. Use the school's favoured revision strategies to support you.
4. You will receive a timetable after Easter.

April 2022

Dear parents and carers,

As your child approaches the end of Year Ten, they will be sitting a series of Pre-Public Examinations; these examinations will take place over a three-week window beginning 16th June, 2022. These examinations, which will help prepare your child for the experience of formal examinations, will enable us to see progress made. We will share this information with you, along with any intervention plans, in the final Progress Review of Year Ten in July.

To support your child in achieving excellent outcomes in these examinations, we have created a revision overview of the topics which your child will be examined on; the revision overview should act as a checklist so that your child can evaluate which topics they are confident with and those they need to spend more time revising. There are links to revision sites which can be used in addition to any revision materials provided by subject teachers.

Yours sincerely,

Ms Gilligan

Deputy Headteacher

Revision Strategy Number One: Flashcards

Using flash cards can help you to remember key pieces of information.

Write questions on one side and answers on the reverse so that you are retrieving the information from your memory.

Just reading over notes will not work your memory in the same way.

Make flashcards as soon as you have studied the topic in class.

Thursday 7th April

Are you ready to be
inspired, be excellent and
succeed?

Form Time Prayer

Lord of life and love, watch over, protect and bless everyone who, in whatever way, is lost.

Be with their loved ones, their carers and all those who long for the lost one to come home.

Amen

Revision Strategy Number Two: Cornell Notes

This method of note taking allows you to review your revision and summarise what you have read.

You can use the key words and questions column to retrieve information.

You can cover the main notes while you do this, so that your memory has to do the hard work, like when using flashcards.

A hand-drawn template for Cornell Notes on lined paper. At the top right, the word 'TITLE' is written in large black letters with a pink underline. To its right is the word 'Date' in smaller black letters. Below this, the page is divided into three horizontal sections. The first section contains two columns: the left column is labeled 'Keywords' in red cursive, and the right column contains the text 'Main notes' followed by 'ideally using abbreviations'. The second section also has two columns: the left is labeled 'Questions' in red cursive, and the right contains the text 'Key thoughts'. The bottom section is a single wide column labeled 'SUMMARY' in large black letters.
