Trustees' Report for the Year Ended 31 August 2018

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year ended 31 August 2018. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

The trust operates an academy for pupils aged 11 to 16 serving a catchment area in Tameside. It has a pupil capacity of 750 and had a roll of 608 in the School census of January 2018.

Structure, governance and management

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. The trustees of St Anselm's Catholic Trust are also the directors of the charitable company for the purposes of company law. The charitable company operates as All Saints Catholic College.

The company registration number is 08515862.

Details of the trustees who served during the year are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £Nil for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

The Academy through its Articles has indemnified its Trustees to the fullest extent permissible by law. During the period the Academy also purchased and maintained liability insurance for its Trustees.

Method of recruitment and appointment or election of Trustees

Recruitment is via the Shrewsbury Diocese, community and staff where applicable.

Policies and procedures adopted for the induction and training of Trustees

Governors complete an annual self-audit; from this the Governing body identifies training needs and makes recommendations for training to be undertaken.

All new governors will be given a tour of the College site and given the chance to meet with staff and students. They are provided with access to policies, procedures and documents and also provided with copies of minutes of the Governing Body meetings, plans, accounts and budgets as appropriate.

Arrangements for setting pay and remuneration of key management personnel

The remuneration of the Head Teacher and Senior Leadership is set in accordance with the Academy's pay policy and the pay and conditions for teachers as per statutory guidance. The performance of all members of these teams is appraised on an annual basis and reviewed by the pay committee who make recommendations for their pay and other remuneration.

Trustees' Report for the Year Ended 31 August 2018

Organisational Structure

The Governing Body is responsible for the overall direction of All Saints Catholic College. This involves determining the guiding principles within which the Academy operates, setting general policy, adopting a College improvement plan and Budget monitoring activities and making major decisions about capital expenditure and senior staff appointments. The Governing Body is also responsible for ensuring that the Academy meets all its statutory obligations and through the Head Teacher and Finance Director that it complies with financial regulations. The Head Teacher was the Accounting Officer of the Academy for 2017-18.

The Senior Leadership Team (SLT) of the Academy for 2017-18 is as follows:

- J Cornally, Executive Head Teacher
- L Emmett, Head Teacher
- G Diamond, Deputy Head Teacher
- S Garvey, Assistant Head Teacher
- H Atkinson, Assistant Head Teacher appointed 01/09/17
- S Scott, Assistant Head Teacher appointed 01/09/17
- G McFadden, Finance Director

The Senior Leadership Team meets weekly to discuss the strategic and operational matters of the Academy.

Connected Charities and Organisations

The support from Blessed Thomas Holford Catholic College is still on-going and has been in place since September 2015 to provide support at the following levels – Governance and Leadership.

A registered Parents Teachers Association works closely with the Academy to raise funds for various projects to support the school.

Friends of All Saints PTA

- A Boulton Chair
- J Mooney Treasurer
- K Braddock Secretary

Objectives and activities

Objects and aims

The main aim this year has been working towards the removal of special measures by ensuring:

- Continue to improve Leadership and management at all levels
- Continue to improve quality of teaching, learning and assessment, particularly in mathematics, science and humanities.
- Continue to improve personal development, behaviour and welfare
- Continue to improve outcomes for pupils, so that all groups of pupils are able to make good or better progress.
- Removal of the financial notice to improve.

Objectives, strategies and activities

All Saints became an Academy within a Multi academy trust framework in order to strengthen the effectiveness of the Catholic Church in education and to provide a high quality education to the pupils within the trust. The Academy aims to establish equal opportunity in all areas of its activities including creating a working environment in which the contribution and needs of all people are fully valued.

Trustees' Report for the Year Ended 31 August 2018

Public benefit

The principle object and activity of the Charitable Company is the operation of Diocesan schools to advance, for the public benefit, Christian education for students within the Catholic tradition. This includes students of all abilities between the ages of 11-16 with an emphasis on the Christian formation and education of the whole child

Trustees' Report for the Year Ended 31 August 2018

Strategic Report

Achievements and Performance

All Saints Catholic College has gone on a significant school improvement journey. The school was placed in special measures in February 2016 and received a financial notice to improve and pre-termination notice warning the same year. In July 2018, a section 5 Ofsted inspection deemed the school's overall effectiveness to be good. Outcomes for pupils in August 2018 also showed a significant increase. Due to the significant work undertaken by the Finance Director and Governing Body, the school's finances have stabilised and the Financial Notice to Improve was lifted in July 2018.

Key financial performance indicators

In September 2017, the headteacher, governors, leaders and staff continued to work relentlessly to improve provision across the school. Monitoring visits from Ofsted were highly positive 'Leaders are unrelenting in their pursuit of excellence for the pupils at All Saints Catholic College', 'The quality of leadership and management right across the school continues to grow from strength to strength. leaders in all areas accept the vision that only ethical and sustainable leadership will do.', 'All staff know, understand and embrace the core purpose of this school. They are determined that their pupils will be examples of the school's mantra to 'be inspired, be excellent and succeed' and '... team is highly competent, unified and unremitting in its pursuit to drive up standards with enthusiasm. No stone is left unturned'.

In July 2018, the final Ofsted monitoring visit was deemed to be a section 5 inspection. A team of four HMI were accompanied by the North West Regional Director and also Senior HMI. The inspection was extremely strong and the overall effectiveness of the school was good. Personal development and welfare support was deemed to be outstanding. Outcomes for pupils were deemed to require improvement due to historic turbulence in the school having impacted progress for the older year groups. The school was praised highly in the inspection report: 'Leaders have transformed this school into a vibrant and happy learning community where everyone must 'Be inspired. Be excellent. Succeed.', 'The headteacher and executive headteacher have made a profound difference since they took over leadership of the school. They lead with passion, determination and moral purpose. The principles of ethical and sustainable leadership are paramount.', 'Governors and the trustees are effective in holding leaders to account for the quality of education that the school provides', 'The leadership of teaching and learning is good. Staff receive high-quality training and support. As a result, pupils benefit from good quality teaching.'

In August 2018, results showed a significant increase in comparison with previous years for both attainment and progress. This shows a significant upwards trajectory for the school. Results demonstrate the impact of the significant improvement in teaching that have taken place but also shows the continued challenge of improving pupil outcomes given historic instability in school resulting in a low baseline and a lost key stage 3. Four key pupils also had a significant impact on outcomes in 2018 due to them having medical issues or significant pastoral issues out of the school's control which significantly affected academic performance. In addition to this, there was one pupil whose parent moved him out of the area prior to examinations which resulted in him not sitting any exams. The difference in these 4 pupils takes the results above floor standards for the first time in four years. For two years in a row, predictions in results are highly accurate across the school.

Trustees' Report for the Year Ended 31 August 2018 (continued)

Strategic Report

	2017 Results	2018 Results	2018 Results minus 4 key outliers we were unable to influence due to moving out of area/medical/absence
9-4 in English and Maths	28%	58%	60%
9-5 in English and Maths	14%	32%	33%
9-4 Best of English	54%	73%	75%

As regards disadvantaged pupils, the attainment of disadvantaged pupils has increased dramatically as per the information below.

Attainment 8: 25.6

Disadvantaged pupils 2017/18

Attainment 8: 37.75 (41.92 all)

Disadvantaged pupils 2016/17

Progress 8 unvalidated: -1.27

Disadvantaged pupils 2017/18

Progress 8 unvalidated: -0.90

Progress 8 minus 4 key outliers we were unable

to influence due to moving out of area/medical/absence: -0.56

Trustees' Report for the Year Ended 31 August 2018 (continued)

Strategic Report

The difference between the performance of disadvantaged pupils and all pupils nationally is diminishing which shows the impact of key interventions. Ofsted commented in the Section 5 report that: 'Disadvantaged pupils and pupils who have special educational needs (SEN) and/or disabilities make much stronger progress from their starting points. Leaders use additional funding well to remove barriers to learning.'

In the current year 11, teaching, book monitoring, internal validated tracking data (progress 8 and the basics) and attitudes to learning continue to show that pupils are making stronger progress in all subject areas including the core. This is also reflected in pupils' work as also seen across the school in the Ofsted inspection. Current work in books of similar ability shows that there is not a significant difference between the progress of disadvantaged pupils across the school in comparison with their peers. Terminal results in 2019 show that attainment is likely to be in line with or above national averages and that progress will continue to improve. This also reflects the outstanding pastoral care the pupils receive which is removing barriers to learning. In lower year groups, progress is also stronger which is reflected in pupils' work. Year 7 catch up funding is deployed highly effectively as demonstrated in improved reading ages and basic numeracy work.

The leadership of attendance in school is extremely strong and we have a full time attendance officer in post funded by the pupil premium. In academic year 2017-2018 attendance overall increased broadly in line with national averages and there is a three year improving trend of the attendance of disadvantaged pupils. Persistent absence has decreased significantly in line with national averages. Persistent absence for disadvantaged pupils has significantly decreased well below national averages. This represents impact of the pupil premium deployment in relation to improving attendance.

Behaviour of pupils at All Saints Catholic College has transformed and pupils are proud to attend our school. There is a strong sense of family within our school and staff and pupil morale are high. Pupils value very highly the support they receive from staff in relation to pastoral and academic progress. As regards behaviour statistics, there is no significant difference between disadvantaged/non-disadvantaged pupils. Fixed term and permanent exclusions have decreased significantly. NEET figures are low and well below the Tameside average. Parental engagement in school is good. Despite the turbulence in school, the number of pupils on roll has remained stable, with 109 leaving in year 11 2018 and 118 coming on roll in year 7. We are anticipating for the number on roll to increase over the coming years and will build staffing capacity accordingly over time.

Going concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial review

Most of the income received is obtained from the Education Funding Standards Agency (EFSA) in the form of recurrent grants. The grants received from the EFA in the year ended 31st August 2018 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities. The trust was under a financial notice to improve but this was removed in July 2018. The level of restricted funds in August 2018 now stands at £95k.

The academy has been preparing for the reduction in pupil numbers following the OFSTED grading of special measures in February 2016. Now rated as good, early indications show that pupil numbers are set to rise and it is expected the academy will be full in year 7 from September 19 onwards. The budget plan is in place to allow for an increase in pupil numbers and the lagged funding.

Trustees' Report for the Year Ended 31 August 2018 (continued)

Strategic Report

Reserves policy

The Governors review the reserve levels of the Academy annually. This review encompasses the nature of income and expenditure streams, the need to match income and commitments (including future commitments) and the nature of reserves.

Current financial forecasts for the next three years indicate financial challenges where by it has been necessary to utilise any free reserve balances alongside robust plans to align operating costs in order for the Trust to sustain current/future provision of the Academy.

Investment policy

Cash balances are safeguarded by investing them in interest bearing current accounts with sound commercial banks (currently Lloyds Bank PLC)

Principal risks and uncertainties

The principle risks which the Academy faces are shown below:

- Lagged funding as pupil numbers increase
- Difficulty in budgeting pay awards
- Budgetary pressures brought about by reduced public sector education spending and funding formula changes
- Erosion of reserves to balance budgets in the short to medium term
- Increased pension costs
- Building/infrastructure funding difficulties as reserves are offsetting budgets

Key controls in place to mitigate these risks include:

- Forensic data and annual examination performance analysis
- Robust school improvement plans which are regularly assessed for effectiveness
- Clear organisational structure with clearly defined roles and responsibilities and authorisation levels
- Documented terms of reference and policies for the governance of the Academy
- Financial planning, multi-year budgeting and monthly reporting to governors any key areas of high risk
- Comprehensive internal audit processes to cover business reviews and health checks
- Committee challenge and scrutiny
- Commitment to seek alternative funding streams

Fundraising

The academy's approach to fundraising is in line with the Code of Fundraising Practice, all money raised is clearly identified and only used for the purpose it was intended. All donations made as part of a fund raising activity are voluntary and without prejudice. The academy does not use any commercial participators to fund raise on its behalf. All money received is subject to both internal and external auditing.

Trustees' Report for the Year Ended 31 August 2018 (continued)

Strategic Report

Plans for future periods

The Academy's plans for future periods include:

- To provide an outstanding Catholic education to the local area
- Expand the MAT whilst staying true to our core values
- Continue to improve the outcomes of pupils and to continue to raise the levels of attendance beyond national average
- Continue to engage and work with our community so that we are a first choice school for local parents
- Further improving the Catholic ethos of the school and strengthening links with local catholic schools
- Increase provision for sustained leadership through school to school support

Trustees' Report for the Year Ended 31 August 2018 (continued)

Auditor

In so far as the Trustees are aware:

· there is no relevant audit information of which the charitable company's auditor is unaware; and

ers/ 4.12.18

 the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Trustees' Report, incorporating a Strategic Report, approved by order of the members of the Governing Body on 4.12.1.8... and signed on its behalf by:

E Summersill

Chair of MAT

Governance Statement

Scope of responsibility

As trustees we acknowledge we have overall responsibility for ensuring that St. Anselm's Catholic Multi Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to Linda Emmett, Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between St. Anselm's Catholic Multi Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The MAT directors have formally met 3 times during the year. Attendance during the year at meetings of the MAT was as follows:

Trustee	Meetings attended	Out of a possible
A Boulton	1	3
A Cooper	0	2
J Cornally	2	3
D Cunningham	2	3
L Emmett	2	3
C Garner	3	3
J Murray	3	3
Reverend J O O'Doherty	0	3
E Summersill	3	3
J Wallace	2	3

Governance Statement (continued)

Finance and Personnel committee

The finance and staffing committee is a sub-group of the main board of trustees. Its purpose is to:

- Regard all priorities identified in the school development/improvement plan in undertaking its duties
- Ensure that decisions are made in accordance with: policies adopted by the Governing Body; the School Teachers' Pay and Conditions document; the National Joint Council of Local Government Services; the Academies Financial Handbook
- Ensure all decisions conform to legislation on equal opportunities, equal pay, sex discriminations, race relations, disability discrimination and employment law and in compliance with any relevant policies agreed by the governing body.

Attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
A Cooper	3	5
J Cornally	6	10
L Emmett	3	10
L Mason	6	10
Reverend J O O'Doherty	6	10
G O'Sullivan	0	10
S Secretan	10	10
E Summersill	10	10

The main focus for this year has been working towards the removal of the financial notice to improve and ensure the sustainability of the budget moving forward.

Teaching and Learning Committee

The Teaching and Learning Committee is also a sub-committee of the main board of trustees. Its purpose is to:

- Ensure that the national curriculum and the provisions for religious education and collective worship of the Catholic Diocese of Shrewsbury are implemented within the college
- Take positive steps to aid the teaching staff to raise the standards of achievement by pupils, to set targets and monitor their achievement
- Ensure all decisions and policies are consistent with the requirements of the National Curriculum, relevant policies, the provision for pupils with Special Educational Needs and the priorities identified in the school development plan.

Attendance at meetings in the year was as follows:

Governance Statement (continued)

Trustee	Meetings attended	Out of a possible
G Aldgate	4	5
Dr S Astley	5	5
A Boulton	3	5
D Cunningham	3	3
L Emmett	5	5
C Garner	5	5
J Murray	3	5
D Riley	5	5
J Wallace	5	5

The main focus this year has been the continued scrutiny of the quality of teaching and learning and raising the attainment of pupils to ensure the school is working effectively towards the removal of special measures.

Review of value for money

As accounting officer the Headteacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy trust has delivered improved value for money during the year by:

- · Reviewing curriculum structures and staffing levels in order to ensure efficiency in the staffing costs per pupil.
- Utilising Teach First to provide the provision of high quality newly qualified teachers into the school where vacancies existed
- Increased provision of quality in-house CPD training for all staff
- · Sharing external moderation with other local schools
- Obtaining additional funding through ambitious school leaders to provide training of future leaders within school

The purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the academy trust polices, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised and to manage them efficiently, effectively and economically. The system of internal control has been in place at St. Anselm's Catholic Multi Academy Trust for the period 1 September 2017 to 31 August 2018 and up to the date of approval of the annual report and financial statements.

Governance Statement (continued)

Capacity to Handle Risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2017 to 31 August 2018 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The Risk and Control Framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- · setting targets to measure financial and other performance;
- · clearly defined purchasing (asset purchase or capital investment) guidelines;
- · delegation of authority and segregation of duties;
- · identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and has decided:

· to appoint Redrambler Limited as internal auditor

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems. In particular the checks carried out in the current period included:

- · testing of payroll systems
- · testing of purchase systems
- · testing of control account/ bank reconciliations

On a termly basis, the auditor reports to the board of trustees, through the finance and staffing committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

Review of Effectiveness

As Accounting Officer, L Emmett, Head Teacher, has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- · the work of the internal auditor;
- · the work of the external auditor;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and Staffing Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the Governing Body on 4.12.18.. and signed on its behalf by:

Governance Statement (continued)

E Summersill Chair of MAT

Statement on Regularity, Propriety and Compliance

As Accounting Officer of St. Anselm's Catholic Multi Academy Trust I have considered my responsibility to notify the academy trust Governing Body and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2017.

I confirm that I and the academy trust Governing Body are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2017.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Governing Body and ESFA.

L Emmett, Head Teacher Accounting officer

Statement of Trustees' Responsibilities

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction published by the Education & Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018;
- · make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures
 disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

E Summersill Chair of MAT

Ollan Ol lilli

Independent Auditor's Report on the Financial Statements to the Members of St. Anselm's Catholic Multi Academy Trust

Opinion

We have audited the financial statements of St. Anselm's Catholic Multi Academy Trust "the academy trust" for the year ended 31 August 2018, which comprise the Statement of Financial Activities incorporating Income and Expenditure Account, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice) and the Accounts Direction 2017 to 2018 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2018 and of its incoming resources and application of resources, including income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Academies Accounts Direction 2017 to 2018 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Trustees (who are also the directors of the academy trust for the purposes of company law) are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Independent Auditor's Report on the Financial Statements to the Members of St. Anselm's Catholic Multi Academy Trust (continued)

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (incorporating the Strategic Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of Trustees remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities [set out on page 15], the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Academy's internal control.

Independent Auditor's Report on the Financial Statements to the Members of St. Anselm's Catholic Multi Academy Trust (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Academy's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Academy to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

This report is made solely to the academy trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy trust's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy trust and the academy trust's members as a body, for our audit work, for this report, or for the opinions we have formed.

Independent Reporting Accountant's Report on Regularity to St. Anselm's Catholic Multi Academy Trust and the Education & Skills Funding Agency

In accordance with the terms of our engagement letter dated 3 April 2017 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2017 to 2018, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by St. Anselm's Catholic Multi Academy Trust during the period 1 September 2017 to 31 August 2018 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to St. Anselm's Catholic Multi Academy Trust and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we may state to St. Anselm's Catholic Multi Academy Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than St. Anselm's Catholic Multi Academy Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of the Governing Body's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of the Governing Body's funding agreement with the Secretary of State for Education dated 28 May 2013 and the Academies Financial Handbook extant from 1 September 2017, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2017 to 2018. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year from 1 September 2017 to 31 August 2018 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2017 to 2018 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- · Review and testing of financial systems of internal control
- · Sample testing of transactions
- · Discussions with management

Independent Reporting Accountant's Report on Regularity to St. Anselm's Catholic Multi Academy Trust and the Education & Skills Funding Agency (continued)

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year from 1 September 2017 to 31 August 2018 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements for the Year Ended 31 August 2018

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

Basis of preparation

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2017 to 2018 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Going concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Notes to the Financial Statements for the Year Ended 31 August 2018 (continued)

1 Accounting policies (continued)

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

Notes to the Financial Statements for the Year Ended 31 August 2018 (continued)

1 Accounting policies (continued)

Tangible fixed assets

Assets costing £500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Academy Trust's depreciation policy.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset over its expected useful lives, per the table below.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Over the life of the lease

30 years

10 years

Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions

Provisions are recognised when the academy trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

Financial Instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Notes to the Financial Statements for the Year Ended 31 August 2018 (continued)

1 Accounting policies (continued)

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 11. Prepayments are not financial instruments. Amounts due to the charity's wholly owned subsidiary are held at face value less any impairment.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 12. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to charity's wholly owned subsidiary are held at face value less any impairment.

Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Pension benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes. The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in the notes to the financial statements, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Notes to the Financial Statements for the Year Ended 31 August 2018 (continued)

1 Accounting policies (continued)

Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education & Skills Funding Agency/Department for Education/sponsor/other funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education & Skills Funding Agency/Department for Education.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 20, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2018. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

7 Staff (continued)

Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2017/18 No	2016/17 No
Charitable Activities		
Teachers	34	38
Administration and support	28	26
Management	6	6
	68	70
Higher paid staff		
The number of employees whose emoluments exceeded £60,000 was:		
	2018	2017
	No	No
£70.001 - £80.000	1	1

The key management personnel of the Academy Trust comprise the trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the Academy Trust was £472,100 (2017: £454,149).

8 Related party transactions - trustees' remuneration and expenses

The Principal and staff trustees only receive remuneration in respect of services they provide undertaking the roles of Principal and staff and not in respect of their services as trustees. Other trustees did not receive any payments, other than expenses, from the Academy in respect of their role as trustees. The value of trustees' remuneration was as follows:

L Emmett (Principal):

Remuneration: £75,000 - £80,000 (2017 - £70,000 - £75,000)

Employer's pension contributions: £10,000 - £15,000 (2017 - £10,000 - £15,000)

D Riley (Staff trustee, appointed 1 September 2016):

Remuneration: £40,000 - £45,000 (2017 - £40,000 - £45,000)

Employer's pension contributions: £5,000 - £10,000 (2017 - £5,000 - £10,000)

Other related party transactions involving the trustees are set out in note 21.

9 Trustees' and officers' insurance

The academy trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme.

19 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £Nil for the debts and liabilities contracted before they ceased to be a member.

Notes to the Financial Statements for the Year Ended 31 August 2018 (continued)

20 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Tameside Metropolitan Borough Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

Notes to the Financial Statements for the Year Ended 31 August 2018 (continued)

20 Pension and similar obligations (continued)

The employer's pension costs paid to TPS in the period amounted to £247,000 (2017: £257,000). A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in Financial Reporting Standard 102 (FRS 102), the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local government pension scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2018 was £152,000 (2017 - £118,000), of which employer's contributions totalled £120,000 (2017 - £89,000) and employees' contributions totalled £29,000 (2017 - £29,000).

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal	actuarial	assumptions
Y I III CIDAI	actuariai	assumptions

•	2018 %	2017 %
Rate of increase in salaries	3.20	3.20
Rate of increase for pensions in payment/inflation	2.40	2.40
Discount rate for scheme liabilities	2.80	2.50

The current mortality assumptions include sufficient allowance for future improvements in the mortality rates. The assumed life expectations on retirement age 65 are:

	2018	2017

21 Related party transactions

Benefits paid

At 31 August

Owing to the nature of the Academy Trust and the composition of the board of governors being drawn from local public and private sector organisations, transactions may take place with organisations in which the Academy Trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Academy Trust's financial regulations and normal procurement procedures.

(18)

1,399

(21)

1,610

There were no related party transactions in the year, other than certain trustees' remuneration and expenses already disclosed in note 8.

Notes to the Financial Statements for the Year Ended 31 August 2018 (continued)

22 Transfer to Diocese

At 31 August 2017 the long leasehold buildings shown in note 10, were removed from the financial statements. The Academies Accounts Direction 2017 provided updated guidance on the treatment of school land and buildings and the circumstances of the academy were consistent with the building not to be shown on the academy trust's balance sheet. Whilst the academy trust holds a long leasehold in respect of the property a further agreement exists between the Diocese and the academy trust which means the academy trust does not have ultimate control over the property. The net book value of the property was £2,481,400.

Notes to the Financial Statements for the Year Ended 31 August 2018 (continued)
