Dear Parents,

I'm writing to you regarding a change in the Rewards System at All Saints Catholic College.

At our school, we are always looking to promote our core values of Respect, Resilience, Excellence and Community Spirit. All pupils across the school (and staff) were asked to contribute to discussions around the rewards system and what types of behaviour we wanted to promote within the school.

With this in mind, we will now be specifically rewarding each of these values throughout the year. When a pupil consistently demonstrates one of the values above, we will reward them with an achievement point in that area. At different points throughout the year, these points will then be calculated and the pupils achieving the most in each category will be rewarded.

This half term, we have arranged a number of activities: 'Mad Science afternoons', A Martial Arts Taster event, an animal exhibition and a talk from a top author and CEO.

We understand that the vast majority of our pupils work tirelessly within lessons and are a credit to the community and, therefore, we feel it's time to relaunch our rewards systems and recognize the hard work that goes on everyday within our school.

As always, I thank you for your support. Should you wish to speak to me about the changes to the rewards system or any other matters relating to behaviour, please do not hesitate to contact me.

Yours Sincerely,

Mr Cluitt

Assistant Headteacher – Behaviour and Welfare.
