Celebration of the word

MISSION

Jesus will do what Jesus always does, he will help us see and know how to let God's love, light and life into us, which will help us calm the waves which we can feel inside at times. We don't have control over everything in our lives but we can work on how we deal with any difficulties. Sometimes we have to trust and have faith that God is there with us to help us and we do not need to be afraid.

CHAPLAINCY

Year 11 prom

On Wednesday night we had the prom at The Village Hotel in Ashton, it was wonderful to see our year 11 pupils enjoying themselves and coming together (in such style!) for the last time. Mr Cassell and Mr Fairhurst are creating an album of pictures to share privately with parents as a lasting memory of the event. The pupils were a credit to the school.

Achievement:

The pupils who have achieved the highest number of points in their year group are:

Top Year 7 - Kylan B

Top Year 8 - Jasmin G

Top Year 9 - Krisha M

The winners of the Family value prizes this week are:

Leron C F 7/ Callum M 9

Well done boys, you have won the vouchers for this week!

Work Experience

This week year 10 pupils have been on work experience in various different placements in order to offer them an insight into the world of work. Members of staff have visited these placements and been very impressed with the level of professionalism and maturity they saw. Next week year ten return to school and Ashton Sixth Form College are attending to deliver an assembly about aspirations for the future in further education. Later in the week there are taster days at Tameside and Clarendon College to explore more vocational routes into further education.

Catholic Life

Next Friday we will be attending Mini Dash at the St Columba's Catholic Church, Chester. Myself and Mrs Rutter will be taking representatives from the school to celebrate our faith with pupils from all high schools in the Shrewsbury diocese.

Sport

A group of pupils attended Stockport Grammar today to play Cricket against their school Team, thank you to Mrs K and Mr Friel for this opportunity for our pupils.

Finally, congratulations to Isabelle S in year 9 who had a piece of her art work displayed at Stalybridge Art Exhibition. Her piece of work was called "feminism" – what an amazing achievement!

Thank you for your ongoing support,

Ms Gilligan
