

Celebration of the Word

**Events:**

As we approach the end of the school year we are very busy with lots of wonderful things happening here at All Saints. On Tuesday this week, a cohort of our year 10 pupils went with Miss Wing to Manchester University with the Brilliant Club. Likewise, this morning we had a group of 22 students going on an expedition for their Duke of Edinburgh Bronze and Silver awards. They will be walking 17 km a day and camping overnight in Disley. The students will work as part of a team to navigate, they will cook their own food and will carry all their kit for the entire route!

This week we received news that we have been awarded the Tameside silver award for our provision for Young Carers. We are very proud of our provision for our amazing young people who support and care for members of their own families – we are the only school in Tameside to have received this award – the next event for Young Carers is on 17<sup>th</sup> July where all pupils involved will go for lunch as a group with Mrs Moseley our deputy designated safeguarding lead.

Next week year 10 pupils will go on work experience, this is the first time that work experience has run in the school for many years and we believe this opportunity will support our year ten pupils in their understanding of the world of careers and life after school.

**Transition**

Our transition day will run this year on 4<sup>th</sup> July, we look forward to welcoming the year 6 pupils who will be joining us in September. Transition evening will run on the evening of the 4<sup>th</sup>.

### **Rewards**

This week these pupils have accrued the most achievement points in their year group and therefore have won a queue jump pass:

Year 7 Lily D

Year 8 Mason L

Year 9 Ruby F

Year 10 George E

The winner of the family value voucher is:

Year 8 Millie A

Well done everyone!

Thank you to all parents and pupils who signed up to Class Charts as requested last week – we have drawn 4 winners and are now at 65%. Class Charts is a crucial tool for communication between home and school, next week you will receive a letter about how we intend to use Class Charts for supporting learning.

### **Finally – goodbye to year 11**

Year 11 completed their final exam this week and we will celebrate with them at the school prom on Wednesday evening. I would like to wish all of our young people the very best of luck for their futures. Year 11 have conducted themselves in an exemplary way throughout the exam period and we look forward to celebrating their GCSE results with them on Thursday 22<sup>nd</sup> August.

Thank you for your ongoing support,

Ms Gilligan
