

Our mission this week:

All Saints Catholic College

### Mission

- Show love for one another: We can show love by caring for each other as a family.
- Serve each other: We can lead by example the same way that Jesus did towards his disciples by showing our Catholic Values: Faith, Excellence, Respect, Resilience, Community and Family.
- We as teachers serve you to get a full education. You must serve each other with this too.

**BE INSPIRED. BE EXCELLENT. SUCCEED**

### Results of consultation

Please visit the school website and see the results of the consultation:

<https://www.allsaintscatholiccollege.com/parents/the-school-day>

Thank you to all parents who contributed to these changes, I hope that you will see that I have thought very carefully about how to meet the needs of our pupils.

### Changes to uniform

Thank you to the parents who contacted me regarding my letter regarding the small changes to uniform from September. I appreciate that uniform is expensive and therefore would like to make you aware that the school will purchase every female pupil a tie for September as this will be the most significant change to our female pupils' uniform. In addition, I would also like to feedback that following consultation, **plain** black socks which are **below the knee** will also be acceptable.

The pupil with the most community points this week and therefore winner of the weekly prize is:

Krishna P in year 10 – well done!

The pupils with the most achievement and winners of the weekly queue jump passes are:

Y11 - Chloe V

Y10 - Mia O

Y9 - Stephen B

Y8 - Alfie B

Y7- Nathan P

Well done everyone!

In order to continue to support our drive with the use of appropriate social media and devices, please have a look at the attached information.
